TECHNICAL DATA SHEET

Servus WRK LT is an EVA injection molded boot designed for general use, combining flexibility and comfortable uppers. EVA provides additional temperature regulation and flexibility, even in colder conditions.

Features

- 100% waterproof seamless EVA construction
- Men's Whole Sizes: 7-15
- Flexible and durable upper that allows for ease in movement for greater worker comfort
- Reinforced construction at critical stress points provides a durable and long wearing boot
- Deep angle cleat outsole helps to grip slick surfaces to help prevent slips and falls
- FOOT FORM PU footbed contour cushion insoles that are removable, washable and replaceable
- Easy guide along the shaft to customize the boot height at your convenience
